

Docket No. **STRAK-507 PCT US**

SUPPLEMENTAL DECLARATION

I, Arthur J. O'Toole hereby declare that I am the first of the inventors who executed the declaration dated December 6, 2006 for the patent application on the invention entitled **Wireless Control For Creation Of, And Command Response To, Standard Freight Shipment Messages** the specification of which was filed as (Application PCT/US2004/020503, International Filing Date of June 24, 2004, with a priority date of June 24, 2003, and now as) US application No. 10/562,402.

I hereby declare that I am a citizen of the United States of America.

All other statements in the declaration dated December 6, 2006 remain true.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Full name of inventor: **O'Toole, Arthur J.**

Inventor's Signature:
